Learn how to be an amazing classroom teacher!

In most of our school experience there was an amazing teacher – the teacher who changed our outlook on life, helped us succeed and whose lessons we will never forget.

What made them that outstanding teacher and what are the tips, techniques and tactics that make some teachers really first class? How do I improve my skills? How can I get behaviour right? How can I motivate pupils who don't seem to want to learn?

These are questions often asked by newly qualified as well as experienced teachers.

Caroline Bentley-Davies' new book *How to be an Amazing Teacher* explains:

- the secrets of body language, presence and classroom charisma.
- how to unlock the hidden talents of pupils and develop their motivation and engagement through a wealth of innovative teaching techniques.
- learn what tools amazing teachers have mastered to engage disaffected pupils, making the classroom a vibrant and engaging area.

Carefully blending practical advice, real life scenarios and expert opinion this book will make any teaching career more rewarding.

Caroline Bentley Davies is an inspector of schools, an adviser and consultant. She runs training and watch lessons across the UK. In only her second year of teaching, at the age of 23, Caroline was deemed 'outstanding' by Ofsted. Since then she has worked as a Local Authority Adviser in Northamptonshire and a consultant working across the country.
